

POLICE LINE DO NOT CROSS

Hinckley-Big Rock School District #429 Presents

“Internet Safety Day”

On

January 25th, 2018

Featuring Guest Speaker Trooper Wilson from the Illinois State Police.

Today's youth has integrated the use of digital devices in their daily lives and utilize social media apps to communicate with the world around them. Technology integration that encourages social interaction and self-expression presents new opportunities for youth, while at the same time challenging parents and teachers as we work together to keep HBR students healthy and safe. Join us, along with the Safety Education Officer from the Illinois State Police, as we continue our efforts to protect and educate our children.

This presentation will last approximately 1 ½ hours. If you wish to attend one of the presentations we welcome you to join us! Upon arrival you will need to check into the office and receive a visitor's badge.

This year our presentations can be viewed via Facebook Live! Please visit each respective building's Facebook page to view the live feed at the times below!

Visit <https://www.hbr429.org/>, go to the school's site, and find these presentations under the “For Parents” pull down menu.

Parents, we encourage you to either attend the presentation or view the recorded presentation online. Hearing the same information will allow additional conversations to occur with your child that will prove beneficial in their development and understanding of their appropriate online presence.

Internet Safety Presentation Schedule

Elementary School (3 rd -5 th)	10:15 a.m.
Middle School	8:45 a.m.
